

System Mapping RFP 2021-05 Question Submission

Submission Details

UID	Username	What is your question? Please include as much detail as possible to provide a response. You may use up to 500 characters.	Email (optional)	What section of the RFP does your question relate to?	Page # of RFP	Response
		Can an applicant propose more than \$25,000?		Section 2 General Terms of Solicitation	6	Yes an applicant can propose an award above the solicitation maximum award of \$25,000 within the written cost proposal.
		Can the contract period be adjusted?		Section 2 Terms of Services	6	Yes an applicant can propose an alternative contract period within the project plan.
		What is the amount you are actually planning to expend on it? Will it still be due by end of the year?				Page 6 of the RFP has been amended so applicants can propose an award amount within the cost proposal that supports their project plan. Additionally, an applicant can propose an alternative contract period within the project plan. Both the project plan and the cost proposal should support the request.
